

PARKING IN FRONT OF MAILBOXES

In order to help facilitate the delivery of mail, no vehicle may be parked within six feet (6') of any mailbox between the hours of 8:00 a.m. and 5:00 p.m., except on Sundays and federal holidays and while temporarily loading and unloading passengers. (SMC 10.20.130)

ADDITIONAL RESTRICTIONS

This brochure is intended to serve as a summary of City ordinances related to parking and storing vehicles. Complete copies of the ordinances are available from the City Clerk's Department at Shawnee City Hall, 11110 Johnson Drive, Shawnee Kansas 66203.

Some subdivisions and homes associations may have more restrictive rules governing this topic. Please check with any applicable organization before parking or storing vehicles on your property.

Parking regulations are governed by the Standard Traffic Offense Code, Title 10, Vehicles and Traffic, and portions of Title 17, Zoning of the Shawnee Municipal Code.

Parking

**CARS, BOATS,
RECREATIONAL VEHICLES,
TRAILERS, MOTOR HOMES AND
COMMERCIAL VEHICLES**

9/8/2014

GENERAL PROVISIONS

You may park your licensed, operable vehicle in the front, back or side of your house on any area covered with asphalt, concrete or paver brick, which surface is intended to be used as a driveway. Gravel driveways installed prior to September 12, 1980 are legal. Gravel areas must be defined by a border and maintained so that weeds don't grow through. Any areas created or modified on or after September 12, 1980 are required to be asphalt, paver brick or concrete. (SMC 10.20.040)

STREET PARKING

Except for streets signed "No Parking", you may park your licensed passenger vehicle on the street up to 48 hours. It is illegal to park or store any boat, boat trailer, trailer, or semi-trailer of any kind on any street. It is illegal to change vehicle fluids or repair your vehicle in the street. (SMC 10.20.100, 10.20.110)

TRAILERS AND RECREATIONAL VEHICLES

Current City ordinances allow the exterior storage of only one trailer at your home. That trailer can only be stored on the side or rear yard (not between the house and the street), and is required to be stored on a concrete, asphalt or paver brick parking pad that is the same size as the trailer. Trailers are defined as "every wheeled device designed or constructed for being drawn by a motor vehicle, regardless of whether it is attached or unattached to a vehicle". City ordinance also defines recreational vehicle

as "a motorized or non-motorized boat, boat trailer, personal watercraft, snow mobile trailer, all-terrain vehicle trailer, or camper". Recreational vehicles may be stored on the front driveway of your home for not more than 4 days in a 30 day period, to allow for trip preparation. Additional information can be found in the Shawnee Municipal Code Chapter 10.20

MOTOR HOMES

Motor homes must be parked on a concrete, asphalt, or paver brick surface intended to be used as a driveway. They also must be parked at least 14-feet from the asphalt of the adjacent public street and where there is a public sidewalk, they must be 4-feet from the sidewalk. Motor homes may only be parked on the street for the purpose of loading and unloading.

PARKING ON GRASS

Once in any 30 day period, you may park your licensed, operable vehicle for a period not to exceed 24 hours in any portion of your front or side yard. Vehicles are prohibited on any other unpaved area of your property. (SMC 10.20.040)

SIDEWALKS

It is illegal to park any vehicle over or on any sidewalk, bicycle or recreational path. (SMC 10.20.020)

COMMERCIAL VEHICLES

Commercial vehicles are prohibited in residential areas except when making deliveries, in those cases where the vehicle is being used for on-going construction, or maintenance of a residential property.

Commercial vehicles include those vehicles larger than 24-feet in length, 8-feet in height, or 8-feet in width, or any vehicle licensed as a truck with a registered weight capacity of more than 16,000 pounds or designed to transport 16 or more people. Flatbed trucks, dump trucks, tow trucks, cement mixers or utility wreckers are considered commercial vehicles regardless of their registered weight or size. (SMC 10.20.070)

VEHICLES FOR SALE

You may park a vehicle for sale on your own property or on someone else's with their consent. The consent must be in writing and include the telephone number of the property owner, the duration of the consent, the make and model of the vehicle, the location of the property and be posted so that it is clearly visible from outside the vehicle.

Property owner's must be careful that their property is zoned for the sale of vehicles before granting consent so that they do not violate any City zoning ordinances. (SMC 10.20.090)
