We know that parking in downtown Shawnee has been a topic of discussion lately, so we want to help clarify any confusion and provide some reminders about utilization of the public parking spaces:

▪ There are a number of public parking spaces available in the area both on-street and in public parking lots. Included is a map of public parking spaces in the general vicinity of the Johnson Drive and Nieman Road intersection.

▪ Most of the parking available along Johnson Drive is limited to two hour parking as marked with street signs. The two-hour restriction was instituted in order to provide readily accessible parking for visitors and patrons. Based on the conceptual floor plans, 16 residential units and 12 first floor work spaces could be incorporated into the site.

Final contract approval and developer agreement still need to be brought to City Council for final action. Additionally, final design approval is required by the Planning Commission.

In order to truly Imagine Shawnee and to create a roadmap, we need the community to participate. Our goal is to create a diverse and comprehensive view of Shawnee’s future. The key to making Imagine Shawnee a success is YOU.

Specifically interested in Parks and Recreation? We will be holding a Parks and Recreation Master Plan Open House to provide an opportunity for you to dive deeper and discuss all aspects of Parks and Recreation including facilities, amenities, programming, open space, trails and sports.

September 19 • Shawnee Town Hall • 11600 Johnson Drive
Parks and Recreation Master Plan Open House: 6:00 p.m. - 8:00 p.m.

We hope you will join us as we Imagine Shawnee and help make Shawnee a community where you want to live, work, and play now and for years to come.

Thinking about painting, new signs, maintenance, or making improvements to the interior or exterior your building? There may be grant programs available to assist with expenses, specific design guidelines to meet, and/or life safety concerns that need to be addressed. Please contact the City’s Community Development Department prior to moving forward with any work at (913) 742-6011 or planning@cityofshawnee.org.
