Clothes for Scarecrow Festival Needed!

The Shawnee Downtown Business Association is collecting adult sized long sleeve shirts and jeans for the annual Scarecrow Festival. The Scarecrow Festival, held annually the first Saturday in October, continues to be a popular event for Shawnee families. The donated clothes are stuffed with straw at the event to make scarecrows. In 2016 there were over 150 scarecrows made, the most ever! We are expecting even more demand for scarecrows this year. Donated scarecrow clothing can be dropped off at Hartman Hardware (11018 Johnson Drive) or in the Planning Department at Shawnee City Hall (11110 Johnson Drive).

Downtown Update

THANK YOU on behalf of the Shawnee Downtown Partnership and the City of Shawnee to all of the businesses that participated in this year’s Spring Starts Here downtown open house on Saturday, May 6. We could not have asked for better weather, which made for a pretty good turnout of scavenger hunters and deal seekers! Volunteers mulched the area tree wells and planting beds and planted flowers at several downtown businesses. The event also included two bounce houses, three food trucks, carnival games, prizes, a car show with live entertainment and 23 business open houses. Event attendees really enjoyed the activities.

This event serves to introduce our visitors to everything that downtown Shawnee has to offer, including showcasing our unique downtown businesses. If you have any comments or questions, contact Lauren Grashoff at 742-6226 or lgrashoff@cityofshawnee.org.

2017 Spring Starts Here Downtown Open House
Progress continues on the Nieman Now! projects. The four stormwater projects and one road project are in varying phases of design and construction. The project teams are working together with input from affected property owners and utilities to ensure efficiency, thoroughness and overall enhancements to the corridor. Below are updates on each of the five projects:

- **The Nieman South stormwater project** - Construction of the new channel has progressed allowing for the installation of the new pedestrian bridge across the creek near 62nd Street & Roger Road. The necessary sanitary sewer replacements have been completed up to 62nd Street. The Reinforced Concrete Box connection to the west tributary has been installed. Storm sewer work on the south side of 62nd Street has been completed and curbs and sidewalks have been installed in a portion of 62nd Street. Fencing along the channel, staining of the concrete block walls, and installation of the trail along the west side of the channel are all underway. The project is expected to be completed by July.

- **6200 Block of Nieman stormwater project** - Final Plans have been approved for the project with the bid opening for construction occurring in late May. The project includes replacing the existing box culverts under Nieman Road just north of Shawnee Mission Parkway, reconstruction of adjacent vertical walls, and relocation of sanitary sewers. At the April 24 City Council meeting the City Council approved the acquisition of private property at 10914-1092 Shawnee Mission Parkway to facilitate construction of the project. The existing commercial building will be demolished. Construction will begin this summer.

- **Nieman Middle stormwater project** - The City Council approved the project final plans on April 24. Construction bids are being accepted. Box culverts under Nieman Road will be replaced to alleviate flooding of nearby properties and streets. Removal of three homes and a commercial building are required for the improvements. The northwestern portion of Roger Road will be relocated to align with 61st Street creating additional parking for Old Shawnee Pizza and a civic space. The Nieman Middle project scope recently expanded to include completion of the improvements at the northwestern portion of Roger Road just north of Shawnee Mission Parkway, reconstruction of adjacent vertical walls, and relocation of sanitary sewers. At the April 24 City Council meeting the City Council approved the acquisition of private property at 10914-1092 Shawnee Mission Parkway to facilitate construction of the project. The existing commercial building will be demolished. Construction will begin this summer.

- **Nieman Road** - The Nieman Road improvements will narrow the roadway to three lanes with a recreational trail on the east side of the street and sidewalk on the west side. Streetscape enhancements and other amenities will also be included. On April 24 the City Council voted to increase the project budget by $1.85 million (for a total revised budget amount of $8.675) to relocate utilities underground along Nieman Road, from Shawnee Mission Parkway to 55th Street. The project team is currently communicating with impacted property owners along the corridor to finalize the preliminary plans. A neighborhood meeting will be scheduled once the preliminary plans have been developed. Construction will not begin until spring 2018.

- **Nieman North stormwater project** - The Nieman North stormwater project is still in the preliminary plan phase. Improvements will be made to the existing stormwater drainage channel west of Nieman Road to west of Flint Street. The improvements will also include construction of a trail alongside the new channel. Meetings with impacted residents will be set up once preliminary plans are received.

As the Nieman Now projects move forward, the City will hold neighborhood meetings to keep everyone up to date on how things are progressing and how our residents might be impacted. We will also be regularly updating through the City’s social media accounts on Facebook, Twitter and Nextdoor. We also have a special section dedicated to Nieman Now with extensive information about every phase of the project online at www.cityofshawnee.org. To sign-up to receive email updates about the Nieman Corridor projects click “E-Subscribe” on the City’s website.

Presenting Sponsor

A benefit for Friends of Shawnee Town
Sponsors Needed for Summer Concert

The Shawnee Parks and Recreation Department is working to secure sponsors for the 2017 summer concert season. We would like to invite downtown businesses to be presenting sponsors of the Friday, August 11 concert at West Flanders Park. The minimum sponsorship is $100 per business. Each business that makes this monetary donation will be included in the following promotional items:

- business name listed on a banner on-site at the concert,
- business name included in Facebook Event and advertisements
- business name included on the City’s website events calendar
- press releases about the concert, and
- recognized on flyers and posters as a sponsor at the event.

If you are interested in being part of the 2017 Downtown Sponsorship Team, contact Tonya Lecuru at the Shawnee Parks Department, 742-6402.

Visit Shawnee Town 1929

Shawnee Town 1929 opened for the season on Wednesday, March 1. We will be open for tours, student groups and tons of other fun Tuesday through Saturday from 10:00 a.m. to 4:30 p.m. through the end of October. Shawnee Town 1929 has lots of exciting classes, programs and special events lined up for this season! Be sure to visit our website at www.shawneetown.org and Shawnee Town 1929 on Facebook for the most up-to-date information.

Let’s Get Ready To Roll!

Join the Friends of Shawnee Town as we celebrate Shawnee Town 1929 and kick off the 10th Annual Tomato Roll Fundraiser with an evening of drinks, hors d’oeuvres and surprises! The event is scheduled for Wednesday, May 31, from 5:30 p.m. to 7:30 p.m. at the Shawnee Town Gazebo located at 11501 W. 57th Street. Call Royal Krueger at 248-2360 to buy your ticket today or get information on sponsoring this fun event! The Tomato Roll will take place on Saturday, June 3rd, on the corner of Johnson Drive and Nieman just before the start of the Old Shawnee Days Parade! Purchase your “tomatoes” today. You can get two balls for $5 or 10 balls for $20. There are prizes for 1st, 2nd & 3rd place!

YOGA IN THE PARK

Join Diane Doolin from Peaceful Stretch Wednesday, July 12th at 7:00 p.m. at Erfurt Park for a FREE, gentle yoga practice in a beautiful park setting. This practice is great for beginners, and a nice “recovery” workout for athletes. Please bring a mat and water bottle.

DIVE IN MOVIE

Join your family, friends and neighbors and this year’s Dive-In Movie Night on Saturday, July 15th at the Soetaert Aquatic Center. This FREE event will begin at 8:00 p.m. Bring your favorite floatation device or use ours and get ready to watch Moana under the stars.

TOUCH A TRUCK

Fire trucks and tractors and bobcats, oh my! Bring your little ones out to Herman Laird Park, Johnson Dr. and Cody, on Wednesday, July 19th at 6:00 p.m. Watch their eyes light up as they sit in the driver’s seat of these big trucks.

JAMMIN’ ON THE GREEN WITH VINE STREET RUMBLE JAZZ ORCHESTRA

Vine Street Rumble Jazz Orchestra will be back to once again “JAM” at Shawnee Town on Wednesday, July 26th at 7:00 p.m. Under the direction of Kent Rausch, this 14 piece band will perform the exciting music that made KC the place to be in the 30s and 40s.

Volunteers Needed!

Volunteers will help to get the flags and bases set up to create the beautiful annual Flags 4 Freedom display on Saturday, July 1. We are also be seeking help to take down the display on Saturday, July 8. Volunteers will meet at Shawnee Town Hall (11600 Johnson Dr.) and work along Johnson Dr. east and west from 7:00 a.m. to 11:00 a.m. (end time could be sooner than 11:00 a.m. for either date).

Specific Skills Required: Ability to lift and bend. Some roles will require volunteer to drive rebar, some will place the flags, some will be lifting and placing concrete bases. Trucks and drivers also wanted to help load and drive the supplies up and down Johnson Drive.

To honor those who defend and protect our freedom thousands of American flags will be displayed in downtown Shawnee and Merriam from July 1 - July 8. Organized by the Shawnee VFW Post 10552, this patriotic display will include over 1,000 flags along Johnson Drive, between Quivira and Switzer. Purchase a $25 flag and receive an American flag to fly as part of the display. A personalized military identification tag (dog tag) can be purchased in remembrance. The tags will be displayed and may be retrieved after. Contact Doug Simms at (913) 233-9248 to donate.

YOGA IN THE PARK
Join Diane Doolin from Peaceful Stretch Wednesday, July 12th at 7:00 p.m. at Erfurt Park for a FREE, gentle yoga practice in a beautiful park setting. This practice is great for beginners, and a nice “recovery” workout for athletes. Please bring a mat and water bottle.

SHAWNEE Farmer’s Market
Saturdays from 7:00 a.m. to 4:00 p.m.
City Hall Parking Lot
Progress continues on the Nieman Now! projects. The four stormwater projects and one road project are in varying phases of design and construction. The project teams are working together with input from affected property owners and utilities to ensure efficiency, thoroughness and overall enhancements to the corridor. Below are updates on each of the five projects:

- **The Nieman South stormwater project** - Construction of the new channel has progressed allowing for the installation of the new pedestrian bridge across the creek near 62nd Street & Roger Road. The necessary sanitary sewer replacements have been completed up to 62nd Street. The Reinforced Concrete Box connection to the west tributary has been installed. Storm sewer work on the south side of 62nd Street has been completed and curbs and sidewalks have been installed in a portion of 62nd Street. Fencing along the channel, staining of the concrete block walls, and installation of the trail along the west side of the channel are all underway. The project is expected to be completed by July.

- **6200 Block of Nieman stormwater project** - Final Plans have been approved for the project with the bid opening for construction occurring in late May. The project includes replacing the existing box culverts under Nieman Road just north of Shawnee Mission Parkway, reconstruction of adjacent vertical walls, and relocation of sanitary sewers. At the April 24 City Council meeting the City Council approved the acquisition of private property at 10914-1092 Shawnee Mission Parkway to facilitate construction of the project. The existing commercial building will be demolished. Construction will begin this summer.

- **Nieman Middle stormwater project** - The City Council approved the project final plans on April 24. Construction bids are being accepted. Box culverts under Nieman Road will be replaced to alleviate flooding of nearby properties and streets. Removal of three homes and a commercial building are required for the improvements. The northwestern portion of Roger Road will be relocated to align with 61st Street creating additional parking for Old Shawnee Pizza and a civic space. The Nieman Middle project scope recently expanded to include completion of an existing sidewalk on the west side of Goddard Street between Shawnee Mission Parkway and W. 62nd Street. Additionally, a sidewalk will be installed on W. 62nd Street from Ballentine to Goddard Streets. Construction will begin this summer.

- **Nieman Road** - The Nieman Road improvements will narrow the roadway to three lanes with a recreational trail on the east side of the street and sidewalk on the west side. Streetscape enhancements and other amenities will also be included. On April 24 the City Council voted to increase the project budget by $1.85 million (for a total revised budget amount of $8.675) to relocate utilities underground along Nieman Road, from Shawnee Mission Parkway to 55th Street. The project team is currently communicating with impacted property owners along the corridor to finalize the preliminary plans. A neighborhood meeting will be scheduled once the preliminary plans have been developed. Construction will not begin until spring 2018.

- **Nieman North stormwater project** - The Nieman North stormwater project is still in the preliminary plan phase. Improvements will be made to the existing stormwater drainage channel west of Nieman Road to west of Flint Street. The improvements will also include construction of a trail alongside the new channel. Meetings with impacted residents will be set up once preliminary plans are received.

As the Nieman Now projects move forward, the City will hold neighborhood meetings to keep everyone up to date on how things are progressing and how our residents might be impacted. We will also be regularly updating through the City’s social media accounts on Facebook, Twitter and Nextdoor. We also have a special section dedicated to Nieman Now with extensive information about every phase of the project online at www.cityofshawnee.org. To sign-up to receive email updates about the Nieman Corridor projects click “E-Subscribe” on the City’s website.
