Celebrate the autumn season at the 13th annual Scarecrow Festival on Saturday, October 7 from 9:00 a.m. to 12:00 p.m. at City Hall (11110 Johnson Drive). The Shawnee Downtown Partnership and Kansas City Power and Light are sponsoring this free, family-friendly event that includes pumpkin decorating, build your own scarecrow for kids, a Farmers’ Market and seasonal displays. Supplies and decorations will be provided at no cost.

Downtown Shawnee will be transformed as businesses participate in the annual Scarecrow Contest. The scarecrow contest is a great way to advertise your business. This year we created four new prize categories including Most Creative, Most Relative to your Business, Best Fall-Themed and a “People’s Choice” overall winner. The People’s Choice winner will be the scarecrow with the most votes on the City’s social media sites. First place winners in each category will be awarded a prize of $150. There will be more winners than ever! See the Scarecrow Contest entry form enclosed in this newsletter for additional information. Entry forms are due Tuesday, October 3. Scarecrows also need to be on display by Tuesday, October 3.

For you chefs out there, showcase your skills by participating in the baking contest that includes categories for pumpkin pie, fruit pie and pumpkin bread. Winners in each category will receive a $50 prize. Samples of the delectable desserts and Nieman Bay Coffee House coffee will be available to buy after the contest. Entry forms are available on the City’s website.

For more information or questions, contact Lauren Grashoff at 742-6226 or at lgrashoff@cityofshawnee.org.
Join in the celebration of the 13th Annual Scarecrow Festival by participating in the Scarecrow contest. Create a scarecrow to represent your business or organization and a way to attach your business name. We have created four new scarecrow categories this year: most creative, most relative to your business, best fall themed, and a “people’s choice” overall winner. First place winners in each category will be awarded a cash prize of $150. Scarecrows should be displayed on Main Street or Johnson Drive in front of the City Hall. All scarecrows should be displayed by October 15. Entries must be received by October 3. The scarecrows will be on display through October 31.

**ENTRY FORM MUST BE RECEIVED BY OCTOBER 3**

Get in the Holiday Spirit with Shawnee's Christkindlmarkt
Event Highlighted by Mayor's Christmas Tree Lighting and a Visit from Santa

The holidays will be in full swing in downtown Shawnee on
**Saturday, December 2.** This annual holiday event, formerly known as Christmas Around Town, is free and has something for the entire family to enjoy. The festivities get started at 2:00 p.m. at City Hall (11110 Johnson Drive) with our Sister Cities Christkindlmarkt, live entertainment, kids’ crafts, fruit cake races and Santa to hear your child's Christmas wishes.

Hop on the holiday trolley to explore downtown Shawnee businesses that will have even more fun activities, including food trucks, sing-alongs with carolers, face painting, balloon artists, live reindeer and more!

Make your way back to City Hall at 5:00 p.m. when Mayor Michelle Distler will be joined by Santa and Mrs. Claus to present the Mayor’s Christmas Tree Fund to the Shawnee Storm Special Olympics and Shawnee Community Services. We’ll cap off the night by lighting the Mayor’s Christmas Tree.

For more information, contact Lauren Grashoff, Neighborhood Planner, at 742-6226 or by e-mail at lgrashoff@cityofshawnee.org.

**Crank up the accordions and head on over to the annual Oktoberfest. Hosted by the Shawnee German-American Club, this year’s celebration is set for Friday, September 29 at the Shawnee Civic Centre (located at 13817 Johnson Drive) from 5:30 p.m. - 10:00 p.m. Admission is FREE for the whole family.**

This fun and festive event will feature authentic German food and beverages, along with live music from Betty Jo Simon and the Alpen Speilers, a Bavarian polka band that has been performing in and around the Kansas City area for many years. This year we welcome Duo Diesel, musicians and entertainers from Erfurt, Germany (one of Shawnee's three Sister Cities), who will be performing Country Western and German Beer Hall music. There will also be performances from the Blautaler Schuhplatter dancers of Kansas City and traditional German folk dancing from the authentic Bavarian Dance Troupe. Then step outside to dance and enjoy the Honky-Tonk Trio performing country western, oldies, and contemporary hits.

Children will be able to enjoy a variety of games, a moonwalk, and Kinderhall from the Shawnee Town Museum. German or not, this event is wunderbar!
The Nieman Now! projects are in full swing and we thank everyone for their patience throughout the construction. Please note that throughout the project the speed limit has been reduced to 25 mph on Nieman Road to make sure all of the workers stay safe while on the job. Below are updates on each of the improvement projects:

- **The Nieman South stormwater project (COMPLETED)** - Construction of the new creek channel, pedestrian bridge and trail east of Nieman Road has been completed. Only minor correction work remains.
- **6200 Block of Nieman stormwater project** - This project includes replacing the existing box culverts under Nieman Road just north of Shawnee Mission Parkway, reconstruction of adjacent vertical walls and relocation of sanitary sewers. Demolition of the commercial building at 10914-10928 Shawnee Mission Parkway and the former gas station on Nieman Road were completed in July. Sanitary sewer relocations began in late August. The next steps include demolition of the existing retaining walls and excavation for the new retaining walls and culverts. The project is expected to be completed in late spring 2018.
- **Nieman Middle stormwater project** - Box culverts under Nieman Road will be replaced to alleviate flooding of nearby properties and streets. Three homes and a commercial building were removed along Nieman Road in July. Sanitary sewer relocations began in August. Construction is scheduled to last until mid-March 2018. Earlier this year, the project scope was expanded to include completion of an existing sidewalk on the west side of Goddard Street between Shawnee Mission Parkway and W. 62nd Street. Additionally, a sidewalk will be installed on W. 62nd Street from Ballentine to Goddard Streets. Construction for this portion of the project should be completed by the end of the fall.
- **Nieman Road** - The Nieman Road improvements will narrow the roadway to three lanes with a recreational trail on the east side of the street and sidewalk on the west side. Streetscape enhancements and other amenities will also be included. A neighborhood meeting was held on July 20 to discuss streetscape concepts and preliminary plans. The preliminary plans were approved by the City Council on September 11. Final Plans are anticipated to be completed by the end of 2017. Construction will begin in spring 2018.
- **Nieman North stormwater project** - The Nieman North stormwater project is still in the preliminary plan phase. Improvements will be made to the existing stormwater drainage channel west of Nieman Road to west of Flint Street. The improvements will also include construction of a trail alongside the new channel. The project team is currently working on obtaining temporary and permanent easements for the project. The project is expected to be completed in late 2018.
- **Flint Street improvements** - The Flint Street project, Johnson Drive to 62nd Street, is to be completed under the City’s Street Improvement Program (SIP). The SIP was established in 2015 to prioritize how to utilize the pavement sales tax approved by voters in November 2014. Projects completed under the SIP will include complete street reconstruction with curbs, gutters, stormwater management and sidewalk. The Flint Street project is also the City’s first Design-Build project, which means the project designer and construction contractor will design and complete the project together through all phases. The City Council approved the phase 1 design-build agreement on September 11. Construction is expected to begin in spring 2018.

We will be updating any traffic changes and project developments online at www.cityofshawnee.org/NiemanNow and via the City’s social media accounts on Facebook, Twitter, and Nextdoor. Sign-up to receive email updates by clicking “E-Subscribe” on the left hand side of the City’s website.

**Building A Better Shawnee**

In the 2017 Citizen Survey, you told us economic growth and vitality was the second highest priority after safety. Want to know more about how the City is attracting new businesses? Visit www.cityofshawnee.org and click on Building a Better Shawnee under News.

**Nieman Road is Open for Business!**

All businesses along Nieman Road are still open and ready for your business! The City understands the disruption to downtown businesses due to the construction. We want to help support your businesses throughout the progress. Please contact Lauren Grashoff, Neighborhood Planner, at 742-6226 or Dave Holtwick, Business Liaison, at 742-6214 with your concerns or ideas about how we can help.

**Mayor’s Christmas Tree Fund**

The Mayor’s Christmas Tree Fund will benefit two great organizations this year, Shawnee Storm Special Olympics and Shawnee Community Services.

You can pledge your support for the Mayor’s Christmas Tree Fund by purchasing a handmade ornament from local students for $5.00 that will be placed on the Mayor's Christmas Tree in City Hall.

**Clear the Clutter**

Get ready to protect your identity, prescriptions and the planet!

Join us Saturday, October 21 from 8:00 a.m. to 11:00 a.m. in the Splash Cove parking lot (5800 King Street) for the City’s 7th Annual Fall Shredding Event.

Held in conjunction with “America Recycles Day”, PROSHRED will be helping you to safely dispose of your confidential documents. All shredded documents are then recycled. The service is free but there is a recommended donation of $5 for a regular file box and $10 for a large file box, which helps offset the cost of shredding. Any remaining donations will benefit the Mayor’s Christmas Tree Fund.

The Police Department will also be on hand to ensure the safe disposal of any unused prescription drugs.
