### LAND DISTURBANCE PERMIT INFORMATION

\* A single or two family dwelling permit shall include a permit for low impact land disturbance and work within the right of way for utilities and public improvements. Description of Land disturbance Activities: Grade and excavate for the construction of a new roofed structure over 1000 square feet in size and grade and excavate within the right-of-way for utility connections and public improvements. Submit an **"Erosion and Sediment Control Plan"** with this application for review and approval.

**Note:** The Land Disturbance Permit shall expire no later than two (2) years and six (6) months from the date the building permit is issued for the construction of the new roofed structure, or at the issuance of a certificate of occupancy for the structure, whichever occurs first. The area of land disturbed is assumed to be the entire project lot unless the submitted plan shows the specific area of disturbance.

### WORK WITHIN THE RIGHT OF WAY PERMIT INFORMATION

Does the Street in front of the project have curbs? ☐ YES ☐ NO If NO, attach drainage calculation for sizing the driveway ci

### CITY INFORMATION

Permit applications and design documents shall be submitted to the Building Codes Division, located in the lower level of the west wing of City Hall (11110 Johnson Drive Shawnee KS 66203). Building permits may also be applied for online through [citizenserve.com/shawnee](http://citizenserve.com/shawnee).
